

CROSS

Tokuro Uhara

CEO/Founder

Born in Nagasaki Prefecture, Japan. Started e-commerce business in 2012. Started the investment, research and business development in cryptocurrency triggered by the introduction of Bitcoin payments to his own EC site in 2016. In 2018, CBASE FINTECHLAB LLC (now CROSS LLC), which manages the CROSS project, was established in Azerbaijan. In November of the same year, established CROSS exchange, Azerbaijan's first cryptocurrency exchange. Currently a global team is formed and operated in Azerbaijan, Turkey, Japan, Korea and Hong Kong.

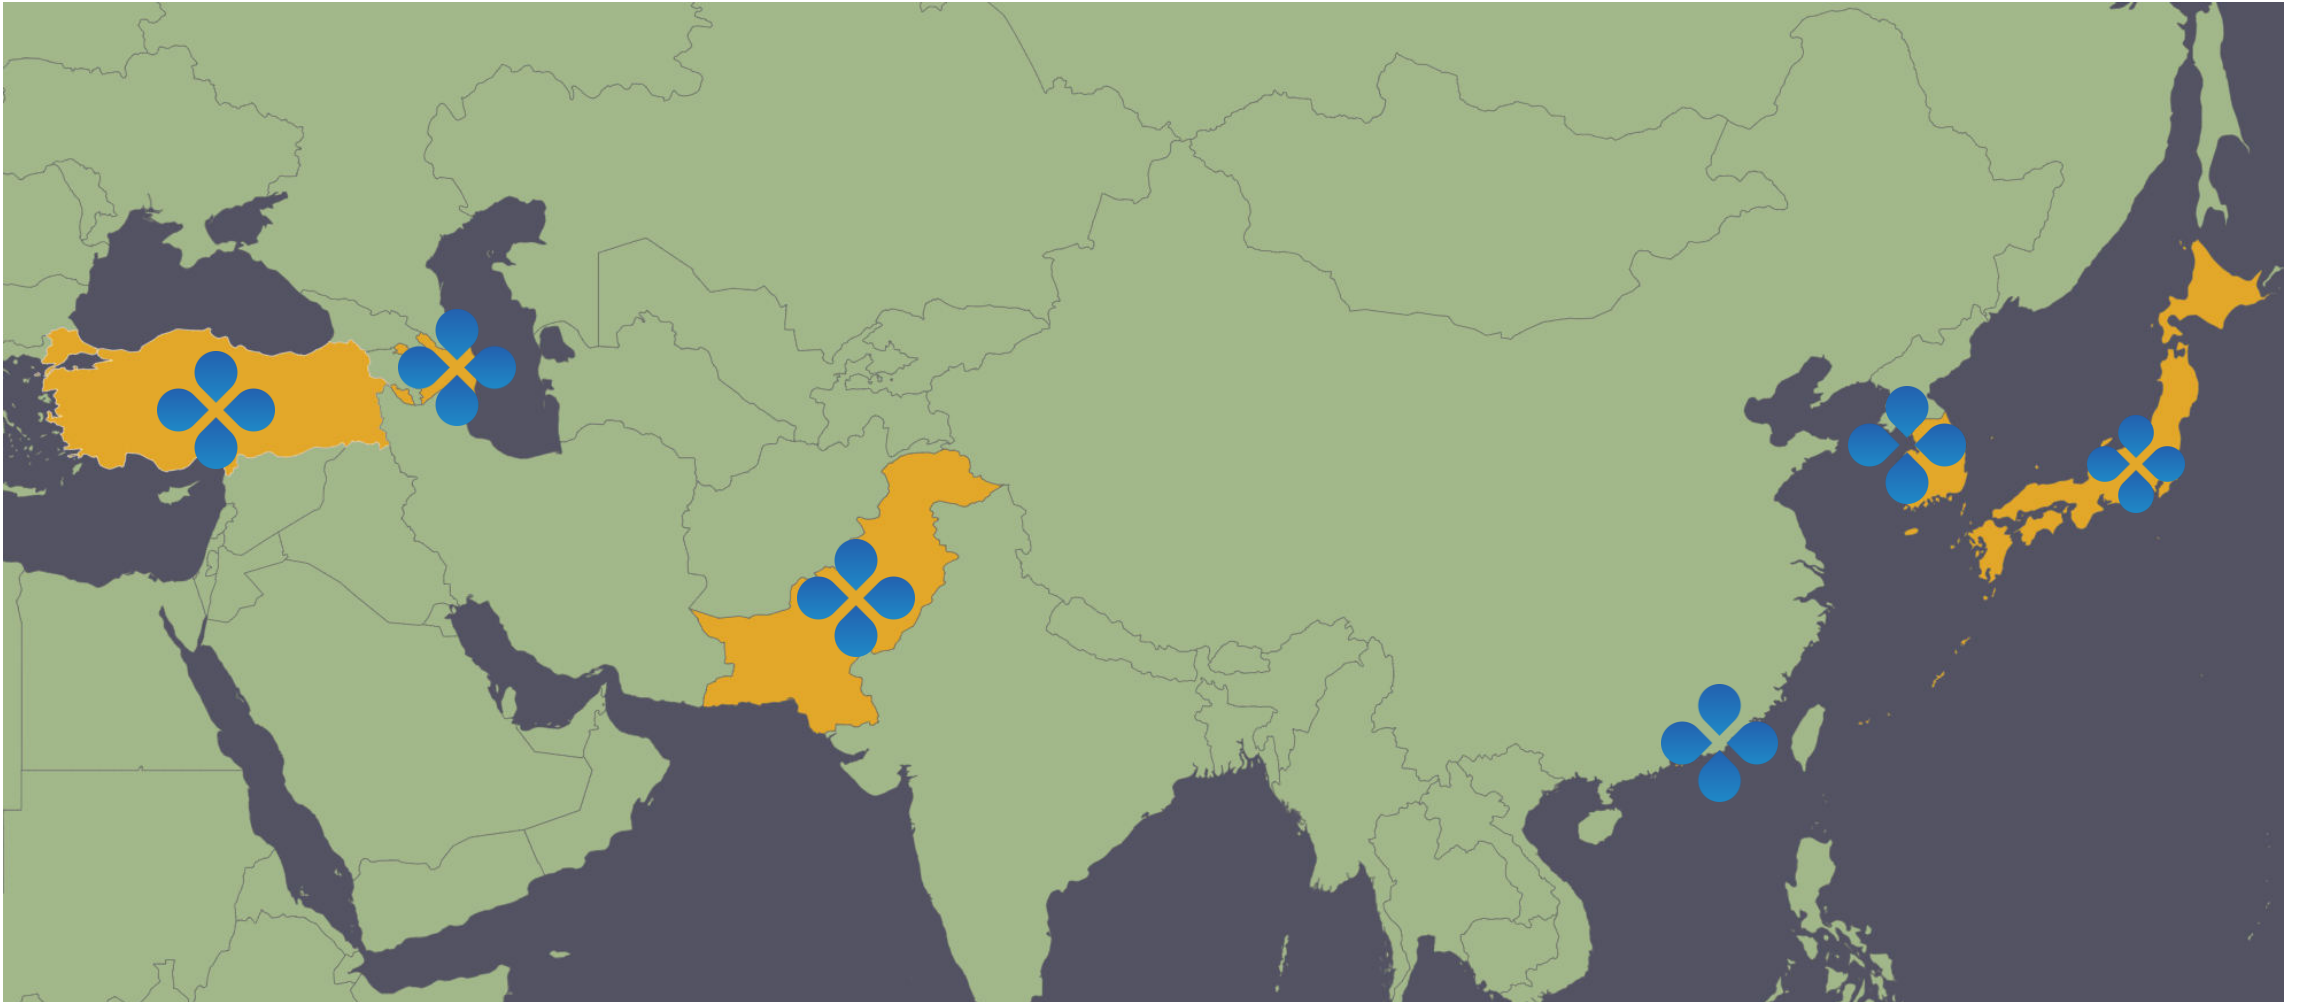

Anthony Knode, CPA

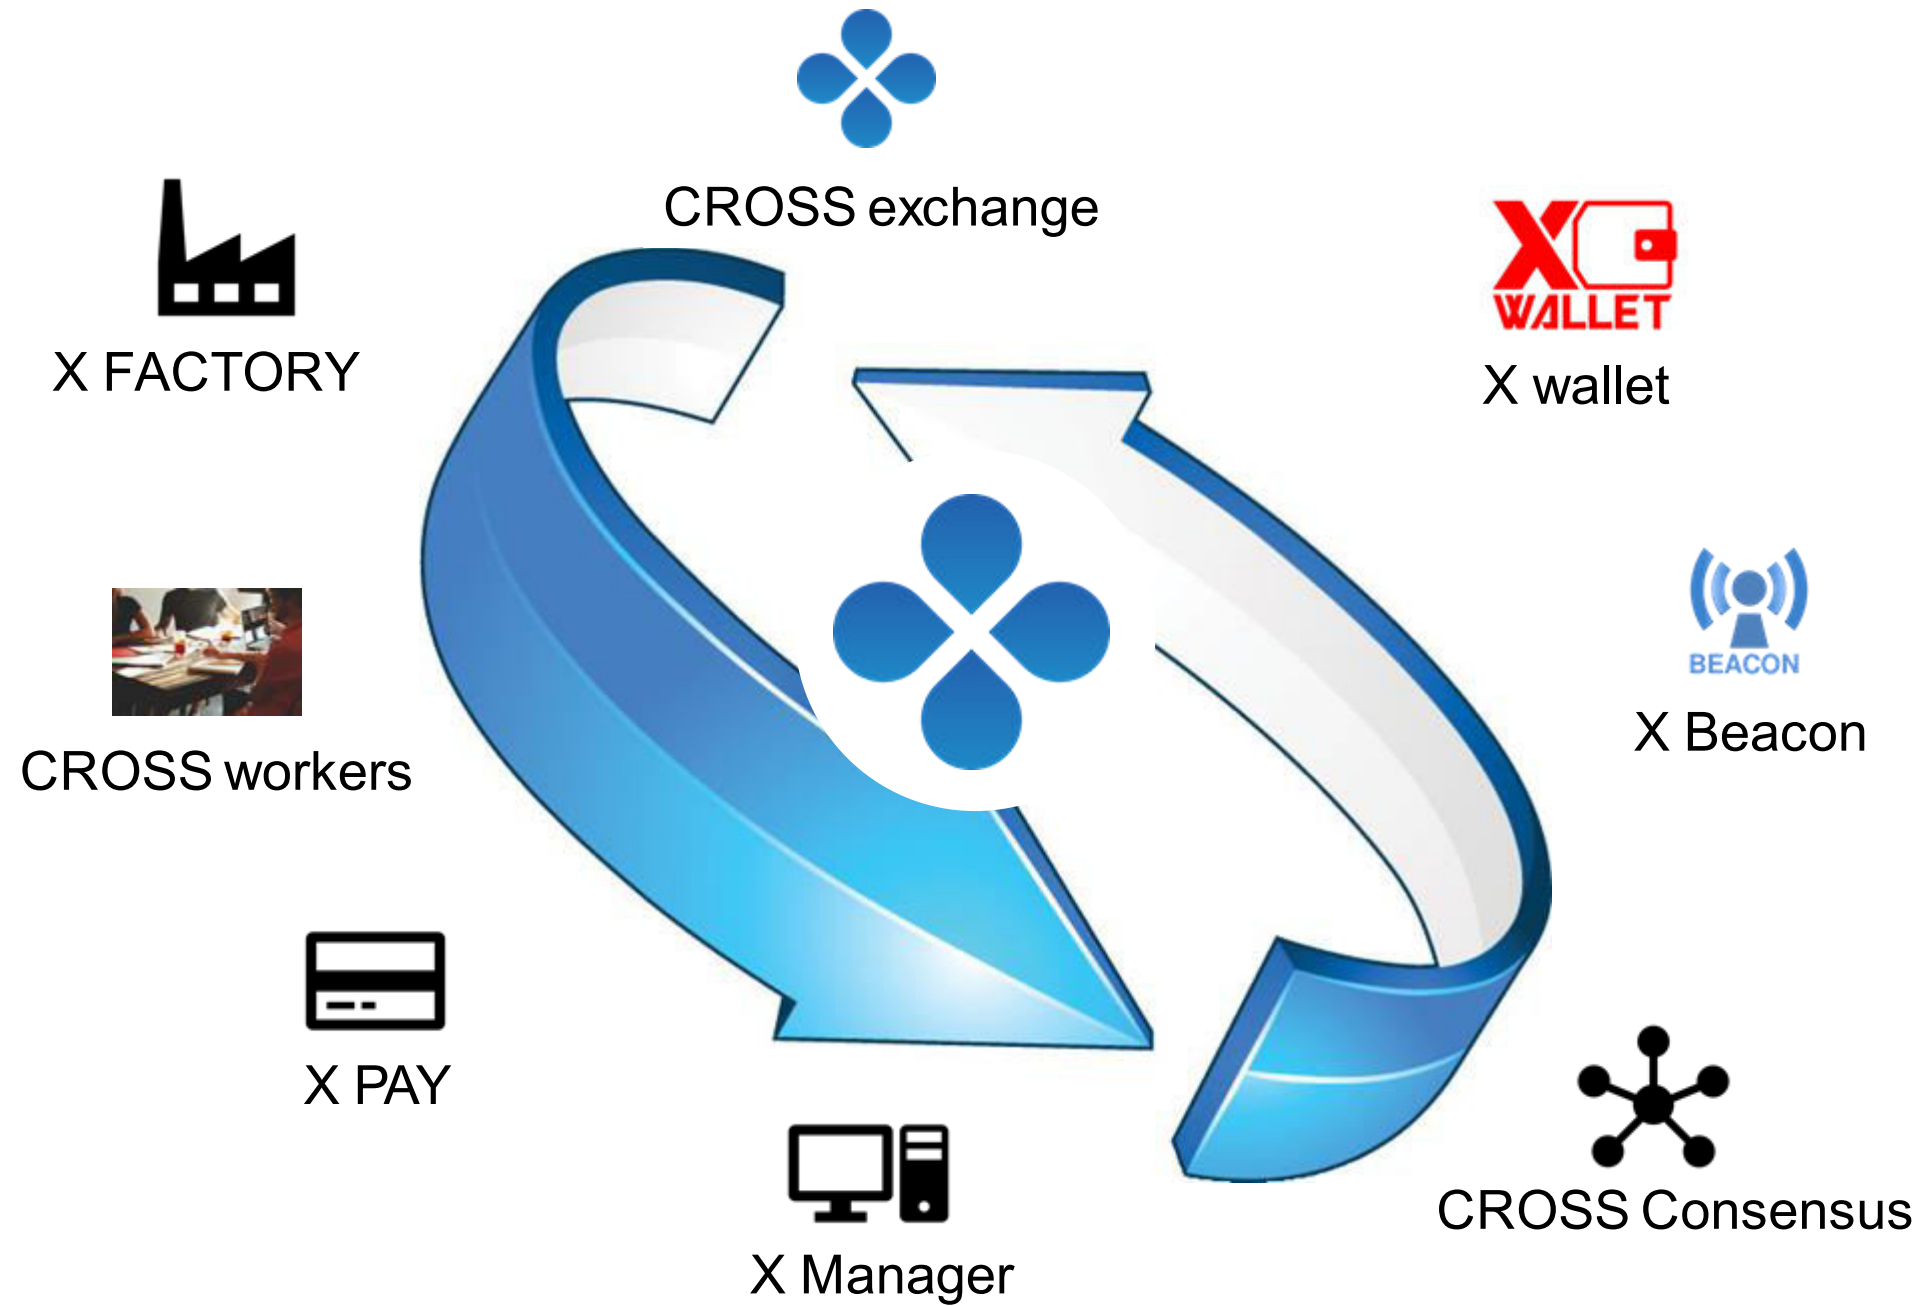

General Executive

Born in Ohio, USA and raised in Japan and the States. After graduating from the University of Washington in 2008, he began his career as a US CPA working at a major companies including Ernst & Young and Deloitte. Eventually specialized in becoming a tax specialist for high net worth individuals. Discovers Bitcoin in 2013; invests soon after conducting research. Participated in various ICOs in 2017 while supporting them through consultation. He currently is positioned as a General Executive with the CROSS project and is in charge of IEO listings and affairs involving legal and financial matters.
